Scholarship

***WPPI/Algoma Utilities
High School Public Power Scholarship***

Each year, Algoma Utilities along with our power supplier WPPI Energy, offers a scholarship to high school seniors. This year two Public Power Scholarships will be awarded to essay contest winners. Each scholarship will be \$500. This scholarship is open to high school seniors planning to attend a two-year technical college or four-year college or university. The student (or their parent or legal guardian) must be a customer of Algoma Utilities.

Scholarship applicants should compose a 500-1,000 word essay that addresses the following topic: **Our Community Connection: The Value of Our Municipal Utility.**

Please stop at our office for details or visit our website at www.algomautilities.com and click on the scholarship icon at the bottom of home page to view complete eligibility requirements. You will also find out how the essay will be assessed and the steps necessary to submit the essay.

The deadline for submitting essays is April 16, 2018.

Winter Moratorium Ends April 15th

One of the advantages of being a locally owned, not-for-profit utility is the ability to work directly with customers in the community – and for Algoma Utilities, that means keeping the lights and heat on for individuals and families on tight budgets.

Throughout the year, utility employees can help customers make arrangements to catch up on late payments. But as winter comes to an end, it's especially important that customers contact the utility to avoid disconnection.

In Wisconsin, electric utilities may not disconnect residential service during the cold weather months from November 1 to April 15. However, utilities may issue final disconnection notices which will be due after April 15. Algoma Utilities understands that situations can arise, making it difficult for customers to pay their bills. However, to avoid disconnection, customers are urged to make payments and/or payment arrangements. Algoma Utilities would like to help these customers make suitable arrangements to avoid disconnection of their service. It starts with making a phone call or stopping by the Algoma Utilities office.

Customers may call Algoma Utilities at 920-487-5556 or visit the utilities at 1407 Flora Avenue from 7:00 a.m. to 4:30 p.m. Monday through Thursday and 7:00 a.m. to 11:00 a.m. Friday.

There are several payment locations:

- Algoma Utilities office: 1407 Flora Ave. & drop box (by front door)
- Bank of Luxemburg: 510 2nd St. or 514 5th St. in Algoma
- US Postal Service: Please allow ample time for delivery

Wisconsin Home Energy Assistance

The Wisconsin Home Energy Assistance Program (WHEAP) provides assistance for heating costs, electric costs and energy crisis situations to approximately 230,000 Wisconsin households annually.

Households must meet income and other requirements to qualify for a one-time heat or electric payment between October 1 and May 15 or as long as funding is available. To apply for energy assistance customers should call Energy Services at 920-388-0652. **Energy Services will be accepting applications for energy assistance at Algoma Utilities on Wednesday, April 11th from 10:00 a.m. to 12:00 pm.**

April 22nd is Earth Day!!!

Make everyday Earth Day by protecting the environment. Visit <http://www.earthday.org> and learn how you can get involved and help protect our environment.

Water System Maintenance

Algoma Utilities will be doing routine water system maintenance **during the month of April**. It is necessary to flush the hydrants and exercise the water valves in order to test the water flow and pressure and also to remove any sediment in the pipes.

Maintenance will be performed between the hours of 7:00 a.m. and 4:00 p.m. Customers may notice discoloration of the water. If this happens, run the cold water for a few minutes until the water runs clear. Water is safe for cooking and consumption. To avoid any discoloration, customers are asked to refrain from washing light colored fabrics when we are flushing in your area. If you have any questions, please call the Algoma Utilities' office at 920-487-5556.

Digger's Hotline

Spring and summer are just around the corner. Call 811 or visit www.diggershotline.com before you start any digging project. Wisconsin law requires that anytime you disturb the ground's surface that you call Digger's Hotline. The consequences of not calling Digger's Hotline can be fatal and very expensive.

When you call Digger's Hotline they will notify all utility providers of your intention to dig. Please allow 3 business days for utility personnel to come and mark the location of their facilities. **Digger's Hotline is a free service.**
