**Renewable Energy Rider**

**Availability:** Service under this rider is available to all customers currently served under all rate schedules. This rider allows customers the option of purchasing blocks of their energy from renewable resources.

**Application:** Renewable energy will be sold only in blocks of 300 kWh per month. Customers choosing to be served under this rider will pay the Block Charge for Renewable Energy in addition to the regular monthly charges, including the Power Cost Adjustment Clause, under their current applicable rate schedules. All of the provisions of the current applicable rate will apply to the customer’s total usage. The charge for renewable energy will be as stated below:

**Block Charge for Renewable Energy:**

\$2.00 per 300 kWh block of renewable energy per month for less than 20 blocks per month.

\$1.00 per 300 kWh block of renewable energy per month for 20 or more blocks per month.

**Special Terms and Provisions:**

1. Service under this rider may be limited at the sole discretion of the utility, based on the expected amount of renewable energy available, average monthly energy usage of the customer, bill payment and collection histories.
2. Aggregate sales are allowed only for multiple facilities owned by the same entity.
3. The customer may sign up for the program at any time and service will become effective at the beginning of the next full billing period, at which point the customer will be charged for the total number of blocks purchased. The Block Charge for Renewable Energy will not be prorated in the billing period in which a customer signs up for service under this rider.
4. If the customer uses less total energy than the number of blocks purchased in any given month, the customer will be charged for the total number of blocks purchased in that month.
5. The customer may cancel their service under this rider at any time; however, any change in service will only become effective at the beginning of the next full billing period. The Block Charge for Renewable Energy will not be prorated in the billing period in which the customer cancels.
6. The utility shall have on file a copy of the latest Schedule for Renewable Energy Service from its wholesale supplier.
